

**12 AUGUST 2017**

## **7<sup>TH</sup> ANNUAL WARRIOR SUPPORT 5K / 1M FUN RUN / DOG WALK**

### **Who we are and what we do -**

We were founded by veterans including some with multiple combat deployments and decades of experience. We also have relationships with many local veteran's organizations. This combination provides us with a unique ability to direct donated funds to St. Louis local veteran's organizations. We have raised and donated \$10,000s to support local organizations. The use of these funds range from PTSD and TBI assistance to support for deployed Marines and other military personnel.

We are a 501 (c) (3) not-for profit organization. [www.stlwsf.org](http://www.stlwsf.org)
